Doug Smith, Doug Gaudette and I all flew from the Georgetown Club Meeting to the Peebles PPG/PPC Fly-In and then back to Cary’s on 8/22.

The PPC and PPG pilots loved us. We put on a pretty nice little show that the Dougs captured on video and posted to YouTube.

Doug Gaudette flew 198 miles that day. Doug Smith flew 235 miles!

For me, it was only about 80.
