For each seminar or other scheduled activity at this year's convention you will draw one card and sign your name to the card. The only limits on your number of cards are the number of seminars or activities that you attend. Sort your cards to arrive at the best hand possible.

Straight Flush	This is the highest possible hand when only the standard pack is used, and there are no wild cards. A straight flush consists of four cards of the same suit in sequence, such as 10, 9, 8, 7, of hearts. The highest-ranking straight flush is the A, K, Q, and J, of one suit.
Four of a Kind	An example is four aces or four 3s.
Flush	Four cards, all of the same suit, but not all in sequence, is a flush. An example is Q, 10, 7, and 6, of clubs.
Straight	Four cards in sequence, but not all of the same suit is a straight. An example is 9♥, 8♣, 7♠, and 6♦.
Three of a Kind	This combination contains three cards of the same rank such as three jacks.
Two Pairs	This hand contains a pair of one rank and another pair of a different rank, such as Q, Q, 7, 7.
One Pair	This frequent combination contains just one pair with the other cards being of different rank. An example is 10, 10, K, 4.

In the event that there is a tie in the best hands; there will be a drawing using a fresh deck of cards for the best hands. These individuals shall draw one card each and the highest card drawn shall be the winner. In the event equal value cards are drawn, they shall continue to draw until there is winner.
