Chapter One Officer Messages

Terry Smith - President

This Saturday we had a small but fruitful gathering. And September will be here before we know it! We are working on a variety of Chapter projects. We will meet again in August.

Terry
President

Teddy Udala - Vice President

Hello Members!

No new Message this time.

Hope to see you all at the August meeting!

Teddy
Vice-President

Karen Keene - Secretary/Treasurer

No Secretary/Treasurer messages this month.

Karen
Secretary/Treasurer

Meeting Minutes

We had our July 2025 meeting at 11am. Attending the meeting were Terry Smith, Teddy Udala, Ken Clapsaddle, Max Spitznagle and Ralph Johnson with Barry Rechterovich and Daniel Martinez on Zoom.

We are getting another month closer to 2025 KBFFI. We are looking for members to get out their T-Shirt orders to Karen Keene this month, as we need to get the order placed in early August. The T-Shirts will be California Blue, and the 2025 logo is also in this month's newsletter. The prices are \$22 for Short Sleeve, and \$28 for Long Sleeve. PLEASE - get your order in! The T-Shirts will need to be paid for before the Fly-In. You can email Karen at justmek2k@gmail.com with your order (number of shirts, long or short, and size).

Since we are not going to do a Raffle anymore (we have to keep BLM happy) any monetary donation would be appreciated!

Next month a Signup for setting up the Fly-in will go out. While we will be setting up a smaller venue, we will still need help! Your assistance in setting up and tearing down on Sunday will be GREATLY appreciated!

We will have water available for people to drink - we won't want people getting dehydrated on the Lakebed. We will have the grill available in the evening for the BYOB

Meeting Minutes

for Friday and Saturday night. And we plan on Movie Night - weather permitting both nights.

We discussed the Glider briefly - for those wanting to get the Glider in the air, please make time to get to a meeting so we can finish going over the Glider and make sure it's ready to go. Sam has a new cable for the Glider as our old one was damaged. As mentioned last month, we will need volunteers with a truck to tow and a pilot to help get people in the air.

Teddy has gotten more practice on his Mirocopter and making progress.

Daniel is working on his gyroplane design, and we hope to see more of it soon.

We will be working on getting Venmo set up so Chapter Members (and anyone else who wishes to) to be able to pay their dues (or Donations) to Chapter One directly. We will let you know when we are able to get that started.

The meeting ended around 11:30am, and we enjoyed a wonderful BBQ!

EAA website lists some insurance solutions for those needing insurance for their gyro. Their number is 1-886-647-4322. This will get you to several companies that may provide coverage. Website is - <https://www.eaa.org/eaa/eaa-membership/eaa-member-benefits/insurance>
