### Meeting Minutes

We had our June 2025 meeting at 11am. Attending the meeting were Terry Smith, Teddy Udala, Medy Medel, Ken Clapsaddle, Ralph Johnson with Barry Rechterovich on Zoom. A friend of Medy's - Shawn Wright - also attended.

We are getting closer to 2025 KBFFI. A T-Shirt design has been made and voted on! The design is shown in this Newsletter. An email to all members showing the design on a mock t-shirt was sent out along with the t-shirt colors for 2025.

Medy has been working on his newly acquired Sportcopter and hopes to have it in the air soon.

We are still happy to accept financial donations to keep the KBFFI going. Since we are not going to do a Raffle anymore (we have to keep BLM happy) any monetary donation would be appreciated!

We discussed the Glider briefly - for those wanting to get the Glider in the air, please make time to get to a meeting so we can finish going over the Glider and make sure it's ready to go. We will need volunteers with a truck to tow and a pilot to help get people in the air.

## Meeting Minutes

Congratulations to Teddy on hovering his Mirocopter! Teddy has been taking lessons for his coaxial helicopter recently and is gaining experience and increasing his comfort level in command of his helicopter - WELL DONE!

We will be working on getting Venmo set up so Chapter Members (and anyone else who wishes to) to be able to pay their dues (or Donations) to Chapter One directly. We will let you know when we are able to get that started.

The meeting ended around 11:30am, and we enjoyed a wonderful BBQ!

EAA website lists some insurance solutions for those needing insurance for their gyro. Their number is 1-886-647-4322. This will get you to several companies that may provide coverage. Website is - <https://www.eaa.org/eaamembership/eaamemberbenefits/insurance>
